

British House of Commons

MetMUNC XLIX

Topic: Welcome Letter

Chairpersons: Aidan Davis and Simran Goraya

Esteemed Delegates,

It is our greatest pleasure to welcome you to the 48th annual Metropolitan Model United Nations Conference at Plainview Old-Bethpage JFK High School! As your chairs, Aidan Davis and Simran Goraya, we are thrilled to chair British House of Commons (BHOC) this year. We are extremely excited to see how you will be able to resolve the two issues we have planned for committee, **Scottish and Northern Irish Separatism in the Wake of Brexit** and **The Issue of Hong Kong**

My name is Aidan Davis and I am currently a junior at POBJFK High School. This is my third year participating in Model UN and my second year chairing! I recently attended a Model Congress conference called Junior States of America, and I have interned for various local politicians. I am very interested in history and politics, so Model UN was the obvious choice for me. In my school, I am the secretary for the Junior Student Government, and head of the Advocacy Club. I am a part of the Mid-Island Y JCC's "Teens as Leaders" program, where I participate in multiple community service events throughout the year. I look forward to chairing all of you and seeing how you can resolve these pressing British issues!

If anyone has a question about the topic or just want to talk about history or politics, feel free to reach out to either of us at adcd0405@gmail.com (Aidan Davis) and .

Your Honorable Chairs,

Aidan Davis
