

United Nations Human Rights Council

MetMUNC XLIX

Topic: Welcome Letter

Chairpeople: Kasha Bhatia, Hannah Quintin, and

Isabel Lagnado

Distinguished Delegates,

It is with great pleasure that we welcome you to the United Nations Human Rights Council at MetMUNC XLIX. Established in 2006, UNHRC aims to promote and protect human rights around the world.

My name is Kasha Bhatia and I am a senior at POBJFK HS. This is my third year in MetMUNC and my second year as a chair. Aside from being involved with our school's Model UN club, I am part of the Moot Court club and the Mock Trial team. I also enjoy art and playing the piano. I am looking forward to meeting all of you and hearing you debate!

My name is Isabel Lagnado and I am a junior at POBJFK HS. This is my third year in MetMUNC and my first time chairing! Along with Model UN I am in the community service club, Moot Court, and part of the research program. Outside of school I am a passionate chef, and have been cooking since I was 3. I am so excited to meet all of you on zoom and hear you debate!

My name is Hannah Quintin, and I am very excited to be your chair this year! This year, I am a senior here at POBJFK High School. This is currently my fourth year of MetMUNC, as well as my third time chairing. Outside of Model UN, I am an active member of our school's business club, DECA, and our social science research program. I can't wait to hear what you all have to say and all of your great ideas!

During this conference, UNHRC has decided on two important topics: **The Yemen Crisis and Police Brutality/Systemic Racism**. We hope that all delegates conduct research on their country's views and discover innovative ideas to incorporate into resolutions. One thing we ask is that delegates respect one another and their respective views. We look forward to meeting and getting to know you all during our time together. If you have any questions, please feel free to ask and reach out to us at: kashabhatia000@gmail.com, hquintin12@gmail.com, isabelagnado@gmail.com

Sincerely,

Kasha Bhatia
